TIME ZONES IN CANADA — FUSEAUX HORAIRES AU CANADA

THE CLOCKS INDICATE THE TIME RELATIONSHIP BETWEEN THE ZONES
LES HORLOGES INDIQUENT LA RELATION ENTRE LES FUSEAUX HORAIRES ZONES

DAYLIGHT SAVING TIME
Each year Daylight Saving Time comes into effect in Canada, but is not observed over most of the Province of Saskatchewan. The transition from Central Daylight Time to Mountain Daylight time therefore occurs at the Manitoba-Saskatchewan border

HEURE D'ÉTÉ
L'heure d'été entre en vigueur tous les ans au Canada sauf dans la majeure partie de la Saskatchewan. La transition entre l'heure avancée du Centre et l'heure avancée des Rocheuses se fait donc à la frontière entre le Manitoba et la Saskatchewan.

The Government of Canada telephone directory is now accessible electronically through either Publiservice or the Canada Site.

Publiservice

Publiservice is the Primary Intranet Site for the GOC, providing a single window access to a wide range of information and electronic services for public servants. Access is exclusively through GENet by http://publiservice.gc.ca.

The Canada Site

GTIS operates the GOC's Primary Internet Site at http://canada.gc.ca. The Canada Site provides a focal point for all federal Internet-available information and services. It also provides the ability for the public to search and locate information on federal organizations.

L'annuaire téléphonique du gouvernement du Canada est maintenant accessible électroniquement, soit sur Publiservice, soit sur le Site Canada.

Publiservice

Publiservice est le site principal à l'intérieur du réseau pour le gouvernement du Canada; il fournit aux fonctionnaires un accès par guichet unique à une large gamme de services électroniques et d'information. L'accès se fait uniquement par l'intermédiaire du SREG, à l'adresse http://publiservice.gc.ca.

Site Canada

Les SGTI exploitent le site Internet principal du gouvernement du Canada, à l'adresse http://canada.gc.ca. Le site Canada fournit un point central pour tous les renseignements et services du gouvernement fédéral qui sont disponibles sur Internet. Il donne aussi au public la possibilité de chercher et de localiser de l'information sur les organismes fédéraux.

GTIS

The Government of Canada Telephone Directory is produced and managed by the Government Telecommunications and Informatics Services (GTIS) of Public Works and Government Services Canada.

The telephone directory is also available electronically. Federal public servants have had access to the directory since June 1996, through the federal government's Intranet called Publiservice; and the Canadian public through the Government of Canada Primary Internet Site at http://canada.gc.ca/.

The electronic telephone directory is maintained and updated on an ongoing basis by the Government Electronic Directory Services (GEDS) of GTIS. As with the paper version, the electronic directory is a bilingual, national directory of federal employees. It is easy to use and can rapidly be searched to locate the names, titles, positions, telephone and fax numbers, e-mail (Internet and X.400) and office addresses of federal public servants across Canada. GEDS also provides the organizational hierarchy of the federal government and departments.

For more information on this service and other GTIS initiatives, please contact GTIS' Ottawa-Hull office at (819) 956-4444, or visit our Web site at http://publiservice.gc.ca/gtispromo.

Paper directories may be ordered by calling the Canadian Government Publishing order desk at (819) 956-4800 if you are in the National Capital Region (NCR), or 1 (800) 635-7943 from all regions outside the NCR.

FOR OFFICIAL USE ONLY

The Government Intercity Calling Service (GICS) is **for official use only.** Calls made using the service are **not** free — **there is a long-distance charge for each call made.** Use of GICS for unofficial calls may result in disciplinary and/or legal proceedings. If personal long-distance calls have to be made from the office, the calls **must** be charged to the caller's residential service or telephone company credit card.

APPELS OFFICIELS SEULEMENT

Il faut employer le Service gouvernemental d'appels interurbains (SGAI) **pour faire des appels officiels seulement.** En effet, le service **n'est pas gratuit — des frais sont imputés pour chaque appel.** L'utilisation du SGAI pour des appels personnels peut entraîner des mesures disciplinaires et même une poursuite judiciaire. S'il est nécessaire de faire un appel interurbain personnel à partir de son téléphone de travail, il **faut** en faire porter le coût au numéro de téléphone résidentiel de la personne qui appelle ou à sa carte de crédit téléphonique.
